Tutoring Payment Policy

There are two payment options available for tutoring participants. Read over the choices and decide which payment plan you would like to use. Refunds will not be given for missed or cancelled appointments unless they meet the criteria outlined in our tutoring policies. Check the payment plan desired.

☐ Option #1– Monthly payments ($44.00 per individual session, $29.00 per small group session)
It is the responsibility of the parent to make sure payment for tutoring is received the 1st day of each month for all scheduled sessions that month. A $5.00 late fee will be assessed per business day past due.

☐ Option #2– Automatic Debit/ Charge Card ($40.00 per individual session, $25.00 per small group session)
If you choose this option you must complete and return the Credit Card Authorization below. If you include your credit card information below no bill will be sent. We will automatically charge your account each month.
